

FOR IMMEDIATE RELEASE:

Toronto, Ontario, August 3, 2011 – Comwave is proud to unveil an enhanced customer signup process for our valued partners at FHTM Canada. The new signup process is available now to start processing your sales.

Comwave has made significant changes to the signup process to make it more user-friendly and more attractive.

These changes include:

- A simpler and easier to navigate user experience.
- New Lower Rates – FHTM customers will now benefit from lower rates worldwide.
- Lifetime Rate Guarantee – If a customer ever finds a lower rate from any competitor, simply call Comwave Customer Care to verify the rate and they will match it guaranteed.
- Long Distance Bundles – Comwave has created Long Distance bundles for FHTM customers to save even more. Bundles include; Unlimited Canada, Unlimited Canada & USA, and Unlimited Global calling (to over 20 countries).
- Comwave Mobile App – Now available for iPhone, Blackberry and Android. If you have unlimited incoming calls, this App brilliantly converts your outgoing calls into free incoming calls giving you unlimited calling from your smartphone.

For more information on the new products, login to the FHTM portal and look for the Comwave Agent URL.
